

WESTON-SUPER-MARE RELAUNCH – A NEW CHAPTER OF HOPE

WHAT IS CAP?

Christians Against Poverty (CAP) is a national charity working through local churches to support people facing debt, poverty and financial hardship. CAP provides practical, compassionate support to people who may feel overwhelmed by their finances.

THE RELAUNCH

The CAP service in Weston-super-Mare is being relaunched to bring renewed energy, practical support and hope to local people struggling with debt and financial pressure.

Behind every debt problem is a person, a family and a story. The relaunch is about making sure people in our community know that they do not have to face financial difficulties alone.

“ The budget CAP set for me gave me a plan of attack for managing my money in the future. Now instead of spiralling down, I’m spiralling up!”
Pete, outdoor enthusiast, now debt free
